Greetings,

The City of Orange Police Association is hosting a charity fundraising event on March 26, 2018. Our event website may be found at <http://www.copa33.org/golf-tournament.html>.

We are seeking sponsorships and in-kind donations in support of this event. We are asking for commitments early so that we may offer sponsor recognition in event marketing materials, etc... Please find additional information and opportunities attached. This event is to raise funds for the COPA Officer Down & Scholarship Fund which is a 501(c)(3) tax exempt corporation Federal ID#81-1990673. The fund is eligible to receive tax deductible charitable donations.

The City of Orange Police Association ("COPA") was formed in 1967 and incorporated as a non-profit corporation. The Association's membership is comprised of all City of Orange Police Department employees, from the sworn command staff to civilian employees. Since its inception, it has been the goal of our Association to promote the safety, welfare and unity of its members. COPA serves as the recognized employee organization representing the Department and its personnel.

COPA members donate hundreds of hours of personal time every year to community causes and philanthropic outreach programs. We also make monetary contributions to a variety of worthwhile causes. In the past several years COPA has been honored to assist numerous community organizations, youth outreach organizations, and on a national level – law enforcement officers who were seriously injured or killed in the line of duty and their families.
